## ARTICLE VIII.

The initial Board of Directors shall hold office until such time as at least 25% of the lots within the properties covered by the Declaration are owned by persons or entities other than the "Declarant" named in the Declaration at which time the initial Board of Directors shall call a special meeting of only the Class A members for the purpose of holding an election to elect a director to replace one of the said initial directors (the retiring director to be determined by the members of the initial Board of Directors), said director so elected to serve until the next regular annual meeting of the members of the corporation. The two remaining members of the initial Board of Directors shall continue to hold office until such time as the voting rights of the Class B membership of the corporation shall be automatically converted to the same voting rights as the Class A membership (as specified below), at which time the Board of Directors shall call a special meeting of all members of the corporation for the purpose of holding an election to select another director to replace one of the two remaining members of the initial Board of Directors, said director so elected to serve until the next regular annual meeting of the members of the corporation. The then remaining members of the initial Board of Directors shall continue to hold office until such time as the Class B members have sold to other persons or entities all residential lots in Bridgewood Subdivision and in any other areas duly annexed thereto in accordance with the provisions of the Declaration.

The judgment of the Directors, whether the directors are the initial directors or substitute or successor directors, in the expenditure of funds of the corporation shall be final and conclusive so long as such judgment is exercised in good faith.

The Bylaws of the corporation shall be adopted by the initial Board of Directors and shall thereafter be amended or altered as provided therein.

The following shall apply to the corporation and its members:

(a) The members of the corporation shall be the owners of lots within the properties described by the Declaration.

(b) Each lot, whether owned by one or more parties, shall be entitled to the votes as follows:

The Corporation shall have two classes of voting membership:

Class A. Class A members shall be all owners, with the exception of the Declarant, and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members, but in no event shall more than one vote be cast with respect to any such lot. The vote for such lot shall be exercised as such multiple owners determine, but if such multiple owners cannot agree as to how the vote will be cast, the vote as to that particular voting matter shall be forfeited.

Class B. The Class B member(s) shall be the Declarant (as defined in the Declaration), and shall be entitled to three (3) votes for each lot owned. The Class B membership shall cease and be converted to Class A memberships on the happening of the first to occur of the following events:

(a) when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership; or

(b) December 31, 2006.

Notwithstanding the foregoing, it is specifically provided, however, that, if at any time other areas are duly annexed to Bridgewood Subdivision in the manner provided by the Declaration, the voting rights as to lots owned by the Class B membership shall (if previously converted to one vote per lot) automatically revert to three (3) votes for each lot owned until such time as the total votes outstanding in the Class B membership throughout the aforementioned subdivision and any duly annexed area, collectively, shall equal or exceed the total votes outstanding in the Class B membership throughout such total area, or until December 31, 2006, whichever date occurs first, at which time Class B voting rights shall be automatically converted to one (1) vote for each lot owned.

(c) The affairs of the corporation shall be managed by its Board of Directors. Such Directors need to be members of the Association.

ARTICLE IX.

DISSOLUTION

The corporation may be dissolved with the assent given in writing and signed by not less than two-thirds (2/3) of each class of members. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the corporation shall be dedicated to an appropriate public agency to be used for purposes similar to those for which this corporation was created or shall be distributed to the members of the Association as of the time of dissolution on a per lot basis, as the Class A membership of the Association so chooses. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any non-profit corporation, association, trust or other organization to be devoted to such similar purposes.

ARTICLE X.
